## MAE PLASTIC SURGERY

**MICHAEL A. EPSTEIN, MD, FACS & DANIEL J. KROCHMAL, MD**

Smart, professional, compassionate, knowledgeable, and kind. These are just some of the words that have been used to describe plastic surgeons Dr. Michael A. Epstein and Dr. Daniel J. Krochmal.

With more than 20 years of plastic surgery experience, Dr. Epstein is among the profession's elite. Recipient of the prestigious Castle Connolly "Top Doctor" award for excellence in plastic surgery and named a "Top Plastic Surgeon" by *U.S. News & World Report*, he is an active member of the American Society for Aesthetic Plastic Surgery and the American Society of Plastic Surgeons, and is certified by the American Board of Plastic Surgery. He has received praise for his generous work and affiliation

with such organizations as Y-ME, Fresh Start Surgical Gifts, Healing the Children, and the Sue Duncan Children's Center.

While Dr. Epstein specializes in facial rejuvenation, including facelifting, rhinoplasty, and eyelid surgery, Dr. Daniel Krochmal specializes in body contouring procedures such as advanced liposuction, breast enhancement and revision surgery, tummy tuck, arm and thigh lift, buttocks shaping, and the CRAFT cellulite reduction technique. He received his medical degree from the University of Michigan, attended the University of North Carolina at Chapel Hill for his plastic surgery residency, and completed the prestigious Hunstad Kortesis Center Aesthetic Fellowship in Charlotte, North Carolina. He is an Associate

Fellow of the American College of Surgeons, is a candidate for membership in the American Society for Aesthetic Plastic Surgery, and serves on the Patient Safety Committee for the American Society of Plastic Surgeons. A published author and presenter at national and international meetings, Dr. Krochmal studies patient safety following abdominoplasty in order to improve outcomes. Together, Dr. Epstein and Dr. Krochmal offer beautiful, natural, ideal results from head to toe.

Drs. Epstein and Krochmal perform surgery in the convenience of their fully accredited facility, Northbrook Plastic Surgery, located within their office suites. Complete with state-of-the-art equipment and a team of board-certified anesthesiologists, patients receive the highest standard of care, ensuring that the experience is as safe and comfortable as possible. From the initial consultation to the final post-operative visit, the doctors and their staff do everything possible to exceed their patients' expectations.
